This year for the first time, Elementary Schools provided parents with an option to purchase the items through the PTA in the spring.

If you have any questions about these items, please feel free to contact your student's school.

Note: As students enter middle and high school, the variety of courses selected by your teen will determine the list of supplies that will be needed. Schools have attempted to provide a basic list for parents at this time. However, teachers/teams may request additional items at the beginning of the school year.
